Lot 1

This lot covers the purchase of swimming pool chemicals and associated testing products namely for Education and Local Authority Leisure facilities and Sports establishments which have swimming pool facilities on site.

Benefits of using the framework agreement:

- **Reduced timescales** – customers do not need to run a full procurement if procuring via the framework agreement
- **Assured supplier standards** – suppliers/providers are 'pre-qualified' as to their general suitability

- **Aggregation of spend** – customers will receive the benefits of the aggregated spend volume and increased leverage in the market
- **Pre-defined terms and conditions** – when awarding contracts customers have the option to use YPO's standard framework agreement terms and conditions as established or use their own terms and conditions
