

# Food & Catering

It's likely all your academies have many different suppliers that provide a range of food and catering services. Some might already be providing fresh, locally-sourced food and others might not. Through a YPO service agreement you could even access the same suppliers, but at a much better price. You could also explore new options and suppliers that might better meet your needs.

## Highlights

- + We work with 45 suppliers across all food service agreements
- + We can offer bespoke, made to measure solutions
- + All types of food available nationwide
- + We can supply catering equipment, utensils, disposables and workwear
- + Offers flexibility to buy the products you need, using suppliers and brands you can trust
- + Working in partnership with leading organisations including LACA and the Children's Food Trust

## Added Value

- + Pre-qualified suppliers
  - + Giving you a confidence in their quality of service/products
- + Reduced timescales
  - + No need to pre-qualify suppliers or publish requirements by OJEU
- + Easy to use
  - + You only need to identify their requirements, present these to the market and award a contract
- + Fully EU Compliant
  - + All YPO service agreements are fully legal and in line with EU regulations
