

UK Food Deal Framework

Ref: 704

Lot 1- Groceries

UK Wide Coverage

Saving you time, effort and money

Many academies and schools create their own catering contracts with suppliers independently, unaware that they achieve more competitive pricing, improved customer service and are 100% EU compliant by utilising an existing public sector framework.

Our public sector frameworks have been created and are managed by experts in food procurement, in a way that saves you money, time and above all effort.

YPO UK Food Deal Framework

This YPO framework gives you the flexibility to buy the groceries you need, using suppliers and brands you can trust and work with.

All have been awarded a place on this framework after completing stringent tests and have the ability to provide you with a top quality product and service.

We can supply the following on the groceries lot:

- Tinned goods
- Packet mixes & ingredients
- Soft drinks
- Confectionery
- Kitchen essentials
- Associated products

Who can use this framework?

This YPO framework has been advertised and awarded using the EU tendering procedures and is intended to be used by:

- Academies
- Schools & Free Schools
- Colleges
- Local Authorities
- Social Care
- Leisure Services
- Emergency Services
- NHS Organisations

Benefits of the framework

- All the procurement work has been completed for you by the UK's largest public sector buying organisation
- You will not be charged to use this YPO framework and all your sales will contribute to your YPO loyalty reward payment
- This framework is easy to use and removes barriers leaving you time to do what you do best!
- You have the assurance that YPO is here to help you – when you need it throughout the life of the framework
- You may join the framework anytime to suit you and your business
