

Better value, delivered.

Looking for a Simple, Compliant Way to Procure Training Services?

Use the YPO 999 Training Solutions DPS - a smarter, faster route to buying high-quality training.

YPO's Dynamic Purchasing System (DPS) offers public sector organisations a **free-to-access, fully compliant** route to procure a wide range of training services - from safeguarding and leadership to IT, specialist blue light training and bespoke learning.

Why use the **YPO DPS?**

- ✓ **Free to use**
No access or admin fees.
- ✓ **Simple procurement**
End-to-end guidance from YPO's experienced procurement team.
- ✓ **Compliant with UK procurement rules**
The DPS meets all current regulations - giving you peace of mind in running a compliant and efficient process.
- ✓ **Free templates & procurement support**
YPO offers ready-to-use templates and guidance to help you run your further competition with ease.
- ✓ **Access to trusted suppliers**
All providers are pre-vetted for quality, experience and capability in delivering training to the public sector.
- ✓ **Pre-Defined Terms & Conditions**
Suppliers have agreed to YPO's standard call-off terms - saving time and reducing risk.
- ✓ **No maximum spend or call-off limits**
Use for anything from one-off courses to multi-year training programmes.
